# Bulk Storage Systems

**Pre-cast Retaining Wall Systems offer the ideal solution to managing storage in a wide range of applications, and can be used for :-**

- ▶ **Bulk Grain Storage**
- ▶ **Animal Feed Storage**
- ▶ **Biomass Storage**
- ▶ **Road Salt Stores**
- ▶ **...and much more!**

At **A Torn Construction Ltd** we offer a professional, efficient service either supplying and fixing or just installing these units and can offer you:-

- ▶ **An experienced and fully qualified team of installers**
- ▶ **A fast and efficient installation service**
- ▶ **Instant increased capacity in your storage**
- ▶ **Competitive prices and excellent service throughout**

These units, available in a wide range of sizes are high grade pre-stressed concrete, which have interlocking tongue and groove joints, are foundation free, uniform and robust. They are sealed with weatherproof joints and are smooth and easy to clean.
